

## GEMINI SUPPORT

Fixed sprinklers, mobile arm sprinklers and pulsating sprinklers are also available with the “Gemini” support, a base that ensures a greater stability.

In the “pulsating” version the base is ballasted, with a spike for the ground attachment.

## PULSATING SPRINKLERS

## APPROXIMATE TECHNICAL DATA

Performance varies based on water pressure.

Atm. 2 Ø mts 23,0 l/min 14,0
Atm. 2,5 Ø mts 24,0 l/min 16,0
Atm. 3 Ø mts 24,5 l/min 17,0
Atm. 3,5 Ø mts 25,0 l/min 19,0
