

BIDET SHOWER & TOILET HYDRO JET (TRAVEL KIT)

3 FUNCTIONS:

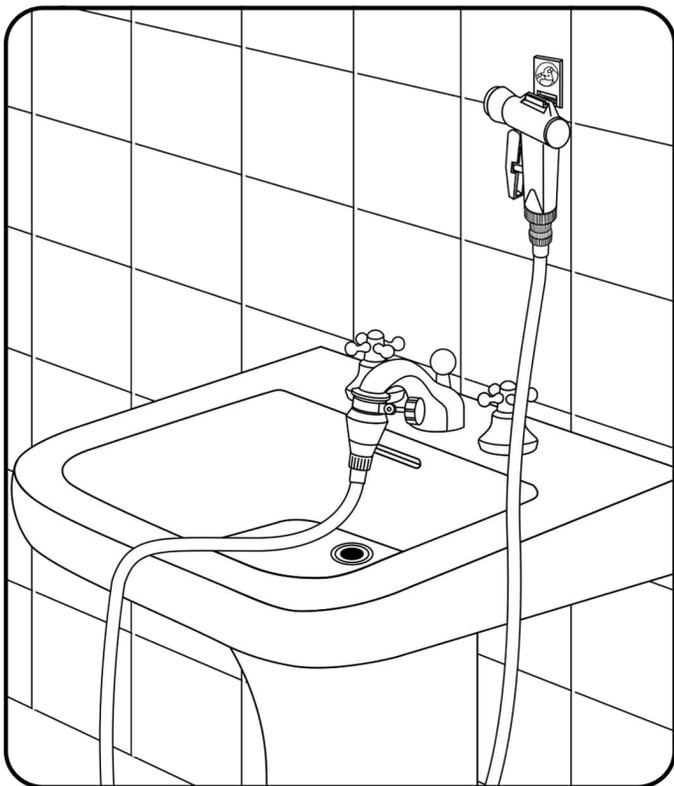

- BIDET SHOWER
- HAIR-WASH HAND SHOWER
- TOILET HYDRO JET

3 UTILISATIONS:

- DOUCHETTE BIDET
- DOUCHE LAVE-CHEVEUX
- HYDROJET WC

3 PRESTACIONES:

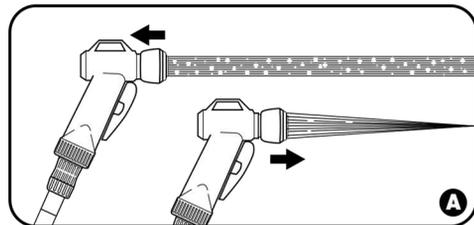

- DUCHA BIDET
- DUCHA LAVACABEZA
- DUCHA LIMPIEZA WC

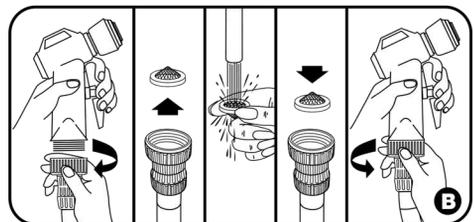

It replaces the bidet in bathrooms with insufficient equipment (e.g. toilets abroad, on board cabins, camping). The universal rubber tap adaptor fits various diameters and it is indispensable in the case of taps without thread.

Kit components

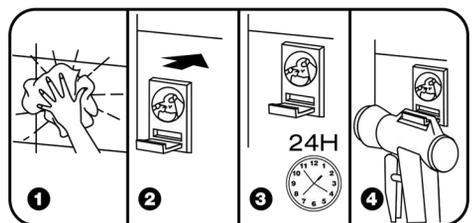

- Universal rubber tap adaptor for connection to water tap
- Flexible hose in PVC mt. 2
- Bidet shower & toilet hydro jet with total closure
- Support for hanging the hand shower

To obtain one of the two performances, it is sufficient to move backwards or forwards the outer collar of the spray (pict. A). Always turn the tap off after use.

In case jet should be imperfect or irregular, clean the special wire gauze filter (pict. B).

FR Pour obtenir l'une ou l'autre des deux utilisations reculer ou avancer la partie extérieure de la douchette (fig.A).Après l'utilisation fermer toujours le robinet.

Si le jet devient imparfait ou irrégulier, nettoyer la grille-filtre (fig. B)

ES Para obtener una de las dos prestaciones es suficiente retroceder o avanzar la parte exterior del atomizador (fig. A). Después de su uso, cerrar siempre el grifo.

Quando el chorro se presenta imperfecto o irregular, proveer a la limpieza de la apropiada redcilla-filtro (fig. B)

As for any device with a total closure, remember to check the water temperature each time the flow resumes. Always close the main water tap after use.
